

Data and Code Usage Agreement of SSE

In consideration of the promises and mutual covenants contained in this Agreement, Recipient agree to the terms and conditions below.

Article 1. Recipient Information

Recipient Primary Investigator Name: _____

Recipient Institution Name: _____

Recipient Institution Address: _____

Recipient Email: _____

Article 2. Datasets and Grant of License

2.1 The Datasets and Code has been compiled by members from Tsinghua University (with the assistance of members from Beijing Normal University). It comprises publicly available data from Sina Weibo with the purpose of stress detection.

2.2 Tsinghua University grants Recipient a non-exclusive license to use the Datasets and Code solely for not-for-profit educational and/or research purposes. Uses of the Datasets include, but are not limited, to viewing parts or the whole of the Datasets; comparing data or content from the Datasets with data or content in other Datasets; verifying research results with the Datasets; and extracting any part of the Datasets for use in Recipient publications or Recipient research in accordance with the terms of this Agreement.

Article 3. Code and Grant of License

3.1 The Code has been compiled by members from Tsinghua University with the purpose of build stress specific embedding and stress detection.

3.2 Tsinghua University grants Recipient a non-exclusive license to use the Code solely for not-for-profit educational and/or research purposes.

Article 3. Recipient Representations

4.1 Recipient represents that it is not bound by any pre-existing legal obligations or other applicable law(s) that prevent Recipient from receiving or using the Datasets or Code.

4.2 Recipient shall provide citation and acknowledgement to Tsinghua University as the source of the Datasets or Code in Recipient publications, presentations or other public dissemination of work utilizing the Datasets.

X. Wang, H. Zhang, L. Cao, K. Zeng, Q. Li, N. Li, L. Feng, “Contrastive Learning of Stress-specific Word Embedding for Social Media based Stress Detection” Proceedings of KDD2023.

4.3 Recipient shall use the Datasets or Code for non-commercial, educational and/or research purposes only.

4.4 Recipient shall provide Tsinghua University with immediate notice in writing of any breach of this Agreement.

Article 5. Recipient Restrictions

5.1 Recipient shall not deduce or obtain information from the Datasets that results in Recipient directly or indirectly identifying any research subjects with or without the aid of other information acquired elsewhere.

5.2 Recipient shall not use the Datasets or Code in any way prohibited by applicable local, state or federal laws.

5.3 Recipient shall not modify the Datasets or Code, except as allowed hereunder.

5.4 Recipient shall not transfer any part of the Datasets or Code to any third party without prior written consent from Tsinghua University.

5.5 Recipient shall not make or use the Datasets or Code for any commercial purpose.

RECIPIENT

By: _____(signature)

Recipient Primary Investigator Name

Title: _____

Date: _____

Application Content: ☐ Datasets ☐ Code

By: _____(signature)

Authorized Party of Recipient Institution (this cannot be a student).
